## **Multimedia Developer with Secret Clearance**

Gromelski & Associates, Inc., Manassas, VA, Oct 2015 - present

Onsite at Lockheed Martin, I work with engineers to translate technical information about military equipment to training and user documentation. I script and coordinate training videos and help organize development of the media side of interactive materials and simulations. I am in charge of the art team effort to transition to a new simulation platform. I do programming, 3D modeling, photography, and use a variety of other multimedia tools.
